

ANNUAL BULL & FEMALE SALE

Foxhoven Angus

FEBRUARY 26, 2024 - 1 PM

AT FOXHOVEN ANGUS - CROFTON, NEBRASKA

Selling 88 Yearling Bulls plus Registered Bred Heifers, Cows and High Quality Replacements!

Foxhoven Angus

Friends and fellow cattlemen,

Welcome to our Annual Production Sale. We are truly blessed to get to work with the best “cattlemen” in the world. With the adverse conditions nature throws at us, cattlemen don’t back down or give up. The herd here continues to be pushed only to excel from what nature throws at them. We continue to select genetics that are structurally correct with performance and maternal ability. Our cows continue to thrive amongst the nation with Pathfinder dams. It is an honor to have the herd in the top of the State and Nation for these awards.

The bulls continue to be developed with longevity in mind. Grass and milk are what gets the calves to weaning time. No creep was put out for them. Our pastures vary from native pasture to brome all within two miles of the sale facility. The bulls run out on a field with hot wire separating them from the replacement heifers.

The cattle business is set up to be bright for years to come. With numbers as low as they are, the cowherds need rebuilt. We continue to select genetics for what the times are needing.

Whatever your goals are within your operation, please feel free to contact us on which bloodlines to use that will help you achieve that goal. We take pride in customer success and will be glad to answer any questions you may have. Thanks again for the friendships made by being in the cattle business. We look forward to seeing you at the sale and customer appreciation that follows the sale. If you are unable to make it on sale day, you are welcome to come ahead of time to evaluate the offering. Please call ahead and we will have cattle off fields or side-by-sides available for easy viewing! Videos will be posted on DVAuction as soon as the schedule allows to get done. If ever any questions, don’t hesitate to call.

Sincerely - The Foxhovens

FREE BOARDING & DELIVERY

Free boarding on all bulls and delivery will start around April 1, 2024. We offer free delivery within 200 miles until April 15, 2024. After April 15, delivery will be made at the buyers expense or if you would like to leave them here, please pick them up before May 15, 2024. Bulls will be semen tested around April 1, 2024 when the weather warms up and buyers will be notified when semen testing is complete. Females need to be picked up sale day or the day after.

VOLUME DISCOUNTS

Volume Discounts will be offered starting at 3 bulls (3%) and increasing 1% for each additional bull up to 10 bulls. Maximum discount of 10% offered. No volume discount on females.

SEMEN INTEREST

Foxhoven Angus will retain 1/3 interest in all bulls selling. Buyer has full possession and salvage value.

SUPPLEMENT SHEET

A supplement sheet will be available sale day with all updated performance information. This sheet and all announcements from the block will take precedence over information in the catalog.

BREEDING GUARANTEE

All bulls selling for \$3,000 or more will be covered 100% (less \$1,750 salvage value) by Foxhoven Angus if they are injured in the first breeding season and are not able to return to service. Breeding season is defined as the 90-day period following the first turnout of the bulls. 100% of the value of the injured bull, minus the salvage value, will be given as credit in a future sale or toward a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible and prior to the bull being sold for salvage. All claims must be made by September 1, 2024. Death is not covered by this guarantee. Please ask us how we can help you insure your investment.

ANNOUNCEMENTS

Announcements made from the auction block on sale day take precedence over printed material in this catalog.

RETAINED INTEREST

We are retaining a 1/3 semen interest or revenue interest on all bulls selling, unless announced differently from the auction block.

HERD HEALTH

All bulls will be required to pass the full fertility evaluation prior to delivery. We utilize a complete calf vaccination program involving strategically timed vaccinations. All calves received Pyramid 5, Vision 7 Somnus and Pasturella. All heifers have been bangs vaccinated, received Preg-Guard 10 pre-breeding, and were vaccinated for scours with Guardian. We also utilize an excellent deworming program. All required interstate health papers will be provided. Contact us with any questions.
